## **AKS Consulting Services launches official SFIA consulting and training in India, SE Asia and UAE**

AKS becomes the first SFIA Accredited Partner to provide official SFIA training and consultancy in India, SE Asia and UAE.

AKS is a New Delhi, India based consulting firm and an adviser on talent management. It helps clients in establishing effective talent management practices using industry good practices, standards and time tested methodologies.

AKS services include official SFIA training and consultancy, skills needs analysis, skills assessment and mapping, design and delivery of learning programmes (new and experienced hires), career development modelling, role profiling and designing, coaching and mentoring, and customized C-suite level executive awareness sessions on improving talent management.

The SFIA Foundation is delighted that Amit and his team are now in business. We trust that the expertise of AKS will bring them success, and will bring increased adoption of SFIA in this fast-growing market.

Please get in touch with us for a no obligation discussion on SFIA official training and consulting.
